

Frequently Asked Questions about ACTION Health Services

Q1. Do I need to call to schedule an appointment with ACTION Health Services?

A. Appointments are not necessary. ACTION Health Services operates on a walk-in basis.

Q2. I do not have health insurance, should I wait to seek care through ACTION Health Services?

A. There's no need to wait! We'll get you started with care as well as help you determine what insurance programs you are eligible for and help you apply.

Q3. I do not have a permanent address in the United States, am I still able to receive confidential health care services.

A. Yes, ACTION Health Services, and all the health centers of CHC, Inc. are here for everyone. Your visit is strictly confidential.

Q4. Filling out paperwork is difficult for me. Is there a lot of paperwork I will need to complete to receive care?

A. There is minimal paperwork involved and our staff is here to help you.
