ACTION
HEALTH SERVICES

A Community Health Connections,
Inc. Federally Qualified Health Center

What is ACTION Health Services *Accessible Comprehensive Treatment In Our Neighborhoods*

ACTION Health Services is Community Health Connections, Inc.'s newest federally qualified health center.

ACTION Health Services provides medical, dental, and behavioral health care services through the use of mobile units and land-based sites.

To reach underserved neighborhoods and communities in our area, a mobile medical unit travels a fixed route throughout North Central Massachusetts, dental services are offered in community locations, and land-based behavioral health services are offered at CHC Family Health Center in Fitchburg, GVNA's Community Services Center in Fitchburg, and at GVNA's Pearly Lane location in Gardner.

As a Health Care for the Homeless and Public Housing Primary Care center, ACTION Health Services' particular focus is on serving children and adults who receive housing assistance, are homeless, or are unstably housed.
